Music Director for Seeds Of Hope

We need someone who can select and prepare and lead music for our church worship each Sunday*

*We currently have 2 families who provides the music (they alternate every other Sunday). We have a keyboard, drums and guitar at the church, but few musicians in the congregation currently. The director could develop a choir or other type of program. We are open to ideas. We use contemporary, gospel and traditional hymns. Also:

Use CCLI licensed music-
